*It's off to High Seas!*

**High Seas Expedition** is an open invitation to be a part of God's Journey. Kids will have a week-long vast voyage, to hear the Word of God right here at Saint Margaret Mary Education Center. All children currently in pre-3 (*must be potty-trained*) through grade 5 are welcome! Set on the High Seas, this VBS has something for everyone!

At High Seas Expedition, kids explore the mighty love of God on a journey that will change them forever! Get ready for an exciting voyage discovering that **God's Word is true, comforting, surprising, life-changing and for everyone.**

High Seas Expedition is filled with fun for kids of ALL ages! Everyone involved in this VBS will explore God's Word... and never be the same again! Not only will kids experience amazing Bible adventures, they'll also watch for God in everyday life. Kids can discover that God is active in our lives and that his fingerprints are *everywhere!* The interconnectedness of the theme in this year's program and activities makes it easier than ever for kids to see how their faith is part of who they are and how they act in the world. The Daily Themes helps bridge the Bible stories to everyday life. There is a smooth progression of the Daily Themes throughout the week. This is the Vacation Bible School your children won't forget! It's all about having fun together and learning about God's love. **You may sign up in the Religious Education Office in the Education Center, or online forms at [saintmargaretmary.org](http://saintmargaretmary.org)!**
