

2nd Annual Family Camp

Cub Scout Pack 152 is sponsoring our 2nd annual family campout to introduce scouts to camping. All scouts and their families are invited to attend! Families can come for the fun on Saturday, spend Saturday night, or both Friday and Saturday night. The plans for the event are as follows:

When: **Friday August 14th at 4:00 pm through**
 Sunday August 16th at 9:00 am
 (Activities are planned for Saturday, 10:00 am to 9:00 pm?)

Where: **Marengo Ridge**
 3100 North route 23
 Marengo, IL, 60152

This is an open campsite designed specifically for camping with tents. The site is set back from the parking area and requires a short walk in order to get to the campsite. Electricity will not be available at this particular campout. Hand pump water and out-houses are available on site.

Food for all meals will be provided by the Pack and will be prepared by the scouts with adult supervision. Activities and games are planned on Saturday, starting at 10:00 am and ending with the Saturday night campfire, which is sure to be a highlight. Families planning to stay the night will be required to bring tents and a modest amount of gear to support this overnight campout.

For anyone interested, additional details regarding the campout (such as an event itinerary and an items-needed list) can be provided. If you would like to help with the planning let us know as well.

All questions are welcome and can be sent to: scott@shepards.org.
